

Application

This long, cylindrical form is perfect for tall spaces such as stairways and corridors. Its unique beauty and versatility is enhanced by the choice of three matte interior finishes combined with velvet black. These finishes may be chosen to complement a wide array of interior spaces. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light. The result is an eye-catching and elegant lighting effect.

Materials

Molded silicone lens
Aluminum housing and canopy with velvet black exterior finish
Black connecting cable

NRTL listed to North American Standards, suitable for damp locations
Weight: 1.8lbs

Electrical

Operating voltage	120-277V AC
Minimum start temperature	-20° C
LED module wattage	7.2 W
System wattage	10.0 W
Controllability	0-10V dimmable
Color rendering index	Ra > 80
Luminaire lumens	445 lumens (4000K)
LED service life (L70)	60,000 hours

LED color temperature

4000K - Product number + **K4**
3500K - Product number + **K35**
3000K - Product number + **K3**
2700K - Product number + **K27**
