

**Application**

This recessed trimless downlight installs flush with the ceiling plane. Its unique beauty and versatility is enhanced by the choice of three matte interior finishes combined with a white trim finish. These finishes may be chosen to complement a wide array of interior spaces. A subtle hint of colored light on the outside edge of the beam spread results from the internally reflected light. The result is an eye-catching and elegant lighting effect.

**Materials**

Molded silicone lens

Reflector surface made of pure anodized aluminum, matte interior finish

Die-cast aluminum housing, white finish

Synthetic recessed ceiling installation housing

**NRTL** listed to North American Standards, suitable for damp locations

Weight: 1.2lbs

**Electrical**

Operating voltage 120-277VAC

Minimum start temperature -20°C

LED module wattage 8.1 W

System wattage 12.0W

Controllability 0-10V dimmable down to 0.1%

Color rendering index Ra > 90

Luminaire lumens 933 lumens (4000K)

LED service life (L70) 60,000 hours

**LED color temperature**

4000K - Product number + **K4**

3500K - Product number + **K35**

3000K - Product number + **K3**

2700K - Product number + **K27**

**BEGA** can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires - see website for details
