

Open wall luminaires with  
a high level of efficiency

**Wall luminaires**  
Unshielded

A classic, cylindrical shape made of hand-blown opal glass, available in two sizes. This elongated design is perfect for accenting columns and other architectural details, while the high-quality workmanship makes this family of luminaires a meaningful addition to a variety of interior spaces. Provided with electronic driver.

Hand-blown, three-ply opal glass · Aluminum housing, white finish

All luminaires on this page mount to a custom BEGA 19 537 recessed wiring box – see page 184. This wiring box is able to be shipped ahead of the luminaire.

LED color temperatures: 2700 K, 3000 K, 3500 K, 4000 K

BEGA can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires – see page 186. Further LED technical data including luminous flux, CRI, service life, and dimming and electrical characteristics are provided on the individual luminaire specification sheets, available at [www.bega-us.com](http://www.bega-us.com).

NRTL listed to North American Standards, interior use only  
Refer to page 185 for more information
