ACCENTA
Semi-recessed ceiling luminaires
Unshielded

ACCENTA is a series of decorative LED recessed downlights, designed for a diverse range of applications. The decorative glass featured on this family of luminaires is intended to add interest and depth to interior spaces. Four trim ring material finishes are available, allowing for perfect coordination with architectural details. Designed with a very small aperture, this family is ideal for both new and retrofit construction. Provided with electronic driver in ceiling box or optional ceiling pan. Refer to the luminaire installation instructions for required minimum ceiling clearance.

Hand-blown, three-ply opal glass, satin matte finish with screw neck
Die-cast aluminum housing

Select the desired trim ring finish by using appropriate code number as suffix

- White Code number .1
- Stainless steel Code number .2
- Polished stainless steel Code number .3
- Brass Code number .4

LED color temperatures: 2700 K, 3000 K, 3500 K, 4000 K

BEGA can supply you with suitable LED replacement modules for up to 20 years after the purchase of LED luminaires – see page 186. Further LED technical data including luminous flux, CRI, service life, and dimming and electrical characteristics are provided on the individual luminaire specification sheets, available at www.bega-us.com.

NRTL listed to North American Standards, interior use only
Refer to page 185 for more information
