

BEGA Limited Warranty

All materials and component parts are guaranteed to be free from defects of material and/or workmanship for a period of five years from the date of shipment.

Limit of Liability

BEGA's liability under the BEGA Limited Warranty is expressly limited to the repair or replacement of such parts where, in BEGA's sole judgment, damage is caused by a defect and not misuse, and is limited to such repair and replacement being made at the factory. LED failure is defined as having 15% or more LED's not illuminated in a luminaire. Non-LED sources, ballasts and transformers are covered to the extent of that particular manufacturer's warranty. Freight charges to and from the factory will be borne by the purchaser. BEGA's Limited Warranty excludes claims for lost profits, indirect, special or consequential damages, labor, performance, materials, or deductions from invoices. Unauthorized repairs or alterations will void the BEGA Limited Warranty.
